Rookies off to a great start!

It's that time of year when our students begin the journey to build the 2014 Golden Regiment into the outstanding marching band we all want it to be! Rookie Camp has concluded and our GR rookies, BDL and Aviance have all been working hard to learn the skills they need to be a valuable part of the Golden Regiment. Congratulations to the rookies for their effort and hard work this week! Now...it's time for the 2014 Golden Regiment Band Camp! Below are a few important items to remember and take care of as we move into full Band Camp tomorrow:

FORMS: Be sure to have the 3 required forms (Medical, Hydration, & Support) submitted by tomorrow. GR members can bring these tomorrow morning if they haven't already been submitted.

FREE PREVIEW SHOW DINNER: The Boosters are providing FREE spaghetti dinners before the Preview Show to both parents and students in the Main Cafeteria. All you need to do is sign up in the mall area outside the cafeteria to volunteer at one band event or project this year and you'll receive a voucher that will allow you and your family to enjoy dinner on us! **RSVP** the number in your family with your section parent leader by Tuesday, August 5th. Dinner will be served from 5:30 - 6:10 pm.

VOLUNTEER HELP: Thanks to all of you that are volunteering during Band Camp! Volunteerism is key to our success and we all greatly appreciate your participation and support for the Golden Regiment!

Lastly, our kids are working really hard and it may be an adjustment for those that are new. As we've said, what happens in the Tropicana Dome begins today. Please make sure they eat well, hydrate before coming to camp, get plenty of sleep and most of all, are surrounded by a lot of positive support and enthusiasm so that they know we're behind them 100%. I can't begin to tell you how proud you'll be of the end product!

Let's have a great camp and look forward to an amazing 2014 season of the Golden Regiment! Thanks for your support.
